- **PTSA Membership:** Parents must be members of the Einstein PTSA in order for their children to participate in before and after school activities. For those families who have not yet joined the PTSA this school year, please submit the membership form found at www.einsteinPTSA.org and \$12.50 annual fee to help the PTSA support these programs.
- **Volunteers:** For insurance purposes, we need one adult volunteer who is a PTSA member to attend each class. The family of each child participating in an activity will be responsible for volunteering for one class per session. The volunteer does not have to be the child’s parent, but must be a member of the Einstein PTSA and must be an adult. The volunteer will provide assistance to the instructor including setting up for the class, helping during the class, and cleaning up afterwards.

I agree to join the Einstein PTSA and to be responsible for volunteering during each of my child’s activities once per session.

Parent’s Signature

Please check the activities in which your child would like to participate. For each activity, please circle at least three dates you could volunteer during class. If you do not indicate your preferences, a date will be assigned to you. You will be emailed to confirm your child’s enrollment in the activity and your volunteer date before the first class.
