

Raising Kids to be Successful in Learning & in Life

Presenter: Linda Morgan

Date	Location	Time
Wed. March 17th	Robert Frost Elementary Commons 11801 NE 140 th St., Kirkland	7 – 8:30 PM
Tuesday, March 23rd	LWSD Resource Center Board Room 16250 NE 74 th St., Redmond	10 – 11:30 AM
Tuesday, April 6th	Inglewood Jr. High Commons 24120 NE 8 th St., Sammamish	7 – 8:30 PM

As your children embark on their world, you will face new parenting questions, opportunities and challenges. In this presentation, **Linda Morgan**, author of the just released book entitled, **BEYOND SMART: Boosting Your Child's Academic, Social, and Emotional Potential** will share her years of parenting experience & research with some straight forward advice. Topics will include:

- Coping with set-backs & failures;
- Helping the child who has test anxiety;
- Knowing & nurturing your child's talents;
- What to do when your child say's "I'm bored!"

Recommended for parents of elementary students

Sponsored by the Lake Washington PTSA Council
