RE: Mr. Tobin's Message

Wild About Animals Assembly

What a fun and informative assembly we had this morning! Ask your child what their favorite part of the assembly was! Thanks to The Einstein PTSA for paying for this wonderful opportunity for our students!

Attendance is Important

It is very important for all students to be at school everyday they are healthy enough to do so. It is also important that they arrive on time. Even being a few minutes late has an impact on their learning. Our first bell rings at 8:55 and instruction begins right at 9:00 when the next bell rings. Please make every effort to be here everyday and to be ready to learn when the bell rings. If your child is sick, please call the office (425)936-2540 and let us know.

Lost and Found

Fall has arrived and it is perfect leave your coat at school weather! It is chilly enough to need the coat in the morning and then warm enough to leave it on the hook or on the playground in the afternoon. Please remind your child to bring their coats and sweatshirts home and if items are labeled with your last name on the tag, we have a much better chance of getting them back to their owners. We are also encouraging students to put their coats and sweatshirts where they line up so that items don't end up in the Lost and Found.

Emergency Drills

We will have a fire drill coming up in the next few weeks. We will be letting staff and students know when the drill will be so that we can all practice the correct procedures from the start. When the alarm goes off, all students and staff will practice safely evacuating the building. We will also practicing accounting for all students, staff and volunteers. It is very important to sign in every time you visit the campus so we can account for you during any emergency situation.

Have a great weekend!

Thanks,

Jack M. Tobin
