

Are you looking for a New Year's resolution you can keep and feel great about?

How about volunteering?

At the beginning of the year we asked each Einstein family to volunteer 2 hours of their time. Have you volunteered 2 hours?

There are many volunteer opportunities to fit your interest and availability. Please contact Rana Shafi or Deva Demeter at volunteers@einsteinpta.org for more information. Volunteering makes you feel great and makes such a difference to the students and staff of Einstein Elementary.

A New Year's resolution to volunteer or volunteer more often is one you can keep and one you will feel great about!
