

**EINSTEIN
CELEBRATION
BOOK CLUB**

Commemorate a special occasion in the life of your child while supporting your Einstein library!

Here is how to participate:

- Make a donation to the Celebration Book Club. Your child will choose a book from our wide selection of new pre-purchased books in the library. The suggested donation for a library book is \$20.00 (If you are unable to donate, please check the Success Fund option below and your child may still choose a book for their special occasion).

Your child will be called down to the library in the month you have chosen to receive a free bookmark and choose a book from the Celebration Book Club shelf to donate. A personalized sticker will be placed inside the front cover stating it was donated by your child in honor of his/her special occasion. Your child will then be the first to check it out. When the book is returned it will go into the library collection for others to enjoy.

Additional forms are available through the library. For questions or form requests, please contact Linda Johnson at lkjohnson@lwsd.org. This form can be returned by your student to the library or sent back electronically.
