

**Einstein PTSA: Making a Difference**  
 2021 – 2022 School Year

Thanks to your outstanding support, the Einstein PTSA was able to provide numerous programs and services during the 2021-2022 school year. Students, teachers, and the Einstein community all benefit from your financial and volunteer contributions!

In the upcoming school year, 2022-23, we hope to bring back many of our additional program offerings, including Choir, Science Night, Student Activities, Field Trip support, Assemblies, and more. We also plan to expand usage of the Success Fund, a fund that allows families to participate in PTSA and school events, regardless of financial means.
