

# Donation Drive May 15-25<sup>th</sup>

Pasado Safe Haven investigates animal cruelty, rescues animals, runs an 85 acre safe sanctuary for 200+ animals, and provides education and advocacy to help people connect with animals in new ways.

Join **Einstein's Student Council** in collecting items for animals in need who have been rescued and now live in this nurturing safe sanctuary.

Go to their website to see the items that can be donated. You can shop from their Wish List.

<https://www.pasadosafehaven.org/ways-to-give/wish-list/>

Students can bring their donation items to school and place them in a collection box.

Our task must be to free ourselves by widening our circle of compassion to embrace all living creatures and the whole of nature and its beauty.
